

MedaKi and OnPharm-United Join Forces to Boost eCommerce Solutions for Independent Pharmacies Across Ontario

MedaKi, a leading provider of eCommerce solutions, has announced a new partnership with OnPharm-United, a network of over 600 independent pharmacies across Ontario. The partnership will offer OnPharm-United members access to MedaKi's eCommerce solution built specifically for pharmacies, enabling them to better serve their customers and compete more effectively in today's rapidly changing market.

"We believe that eCommerce can help independent pharmacies compete more effectively in today's rapidly changing market, and we are committed to helping our clients succeed," said Tarek Hussein, Independent Pharmacy Owner & Chief Clinical Officer of MedaKi.

"We are excited to announce our partnership with MedaKi, and to offer their tailor-made eCommerce solutions to our members," said Sherif Guorgui, co-CEO OnPharm-United.

"The collaboration between MedaKi and OnPharm-United marks a significant milestone for independent pharmacies, offering them a game-changing solution and dramatically increasing the value they provide to their local communities," said Sundar Manku, Chief Executive Officer of MedaKi.
